Dear Cambridge government representative,

As a long time resident of Cambridge (since 1979), and in Central Sq. (since 2003), I would like to voice my support for development that includes more mid-income and low-income housing in our increasingly expensive town. The location will house urban, car-less, residents who work in the area. Increasing urban density here will also increase the vibrancy of the commercial and restaurant activities in the area.

Thanks much,
Eva Ng
