Subject: Bicycle lanes

Dear City Councilors and Clerk,

I wanted to voice my support for the proposed separated and protected bicycle lanes which were described in the Cambridge Bicycle Plan. I move around in my bike a lot within Cambridge and bike along Mass Ave, Hampshire st and Cambridge st.

This is always a stressful experience as cars approach bikers and are not always mindful of our presence. I would very much support improving our road infrastructure to protect our lives.

Thank you

Sebastian Akle
