## Section: 15.04.010 Established-Work Started Prior to Obtaining a Permit:

Where work for which a permit is required by this code is started or proceeded with, prior to obtaining such permit, the fee specified shall be tripled but payment of such triple fee shall not relieve any person from fully complying with the requirements of this code in the execution of the work not from any other penalties prescribed in this code.

## City Ordinance 15.08 & 15.12 Penalty for Starting Work Prior to Obtaining a Permit:

Where work for which a permit is required by the Electric Code/ Plumbing Code is started or proceeded with prior to obtaining such permit, the fee herein specified shall be tripled but the payment of such triple fee shall not relieve any person from fully complying with the requirements of the Code in the execution of the work not from any other penalties prescribed in the Code.

## City Ordinance 15.08.020 & 15.12.020 Co-Work Completed By Others:

Any person, firm or corporation, other than electrical contractors/ plumbing contractors or public service agencies, who employ one or more electricians/plumbers permanently to do electrical or plumbing work, may obtain a permit covering the work done by such permanent electrician/plumber for a period of time to be determined in each case. The fee for electrical work/plumbing work done under such a permit will be charged in the same manner as if separate permits had been given for each job.
