Subject: pass Bishop petition

Please pass the Bishop petition. My only issue with it at all is the not allowing new businesses. Having said that it stops the size and scope of potential building at Fawcett. What is proposed there would wreck the linear park, which I use every day and really want to feel at home at.

I personally can't make it on Monday but have been to other sessions and am paying attention to what is happening, as is most of the neighborhood.

Thanks
