Dear Councillors:

Thank you very much for providing me with a copy of your order calling for the passage of Senate Bill 772, a resolution that would call upon the United States Congress to pass and send to the states for ratification a constitutional amendment that would limit corporations' current right, as articulated in *Citizens United v Federal Election Commission*, to make independent expenditures on behalf of political candidates.

I am carefully considering this bill. I am also focused on legislation that would create new disclosure requirements for funding sources in an effort to increase the transparency of campaign finance. Please do not hesitate to contact me with any questions or concerns at willbrownsberger@gmail.com or on my cell phone at 617-771-8274.

Sincerely,

William N. Brownsberger
