Donna P. Lopez
Interim City Clerk
City of Cambridge
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Ms. Lopez,

Thank you for forwarding to me the City Council resolution regarding double utility poles.

As a former selectman, I fully understand the problems these double poles can cause and while in the legislature I have co-sponsored several bills designed to solve the problem. In this session I co-sponsored Representative Keenan's bill, H3380, An Act relative to utility poles, but the bill was not reported out by the House Ways & Means Committee before the end of session.

I will continue to work on this issue; it is an important one for cities and towns and their residents.

Sincerely,
