Dear Madam City Clerk:

My wife Sally Lutz and I, Christopher Lutz, are long-time residents of 75 Richdale Avenue, near neighbors of the large brick building at 33 Richdale Avenue, aka the Hathaway Bakery Building. From early on we

have attended many neighborhood meetings, Planning Board, Historical Commission, and Cambridge City Council meetings concerning the renovation of this structure, together with numerous residents of our neighborhood. Unfortunately, we are away and unable to attend the City Council meeting scheduled for Monday, 15 December, at 5:30 pm at Rindge and Latin, but we want to express our whole hearted support of the Cambridge Historical Commission's unanimous vote to give historical landmark status to the Hathaway Bakery Building and we urge the City Council to confirm their wise and thoughtful decision.

Many thanks for passing our opinion on to the City Council. With best wishes,

Christopher and Sally Lutz
