Report of Gunshots in the Area of Clement Morgan Park

June 1, 2011 – During the late night hours of May 30th, members of the Cambridge Police Department responded to the area of Clement Morgan Park for reports of gunshots. Officers arrived on scene within minutes of the call to find one victim who had sustained a gunshot wound. The victim was transported to a Boston area hospital with non-life threatening injuries.

Responding officers on scene followed up with reporting persons who described hearing multiple gunshots and seeing a group of young men fleeing the area of the park. An immediate search of the area was conducted and ballistic evidence was recovered at the scene.

In the morning, officers returned to the area to conduct a second search for evidence and to canvas the neighborhood to locate additional witnesses. During the second search, officers located other evidence and spoke to area residents who were able to provide additional information related to an argument that was heard at approximately the time the original calls were made to police.

All indications at this time are that this was not a random incident, and the parties involved were known to each other prior to the shooting. Detectives are following up on a number of leads at this time.

The Cambridge Police Department requests that any residents who may have information regarding this incident contact the Cambridge Police Department at 617-349-3300. Anonymous tips may also be sent via text message to Tip411 (847411). Begin your message with Tip650 and then type your message. You will receive a response from the Cambridge Police with the option to continue communicating.
