Cambridge and Somerville Police Investigate Stabbing

April 2, 2011 – On the evening of April 1, 2011, members of Cambridge Police Department Special Investigations Unit encountered an individual who was suffering from multiple stab wounds in the vicinity of Cambridge Hospital. Further investigation revealed that the incident actually took place in the City of Somerville.

During the course of the investigation, members of the Cambridge Police Department encountered a second individual who had sustained some significant facial injuries. It is believed that the injuries suffered by these two individuals are connected to the same incident in Somerville. The Somerville Police Department was notified, and their detectives have taken over the investigation with support from the Cambridge Police Department.

During the course of the initial stages of this investigation, Cambridge Police arrested a third individual for illegal possession of a firearm.

Although this incident did not take place in Cambridge, Cambridge Police feel it was necessary to alert residents due to the fact that Cambridge Street was closed for a period of time. However, at no time was there any threat posed to the neighborhood.

Members of the public with information that they believe may be helpful to the investigation may contact Cambridge Police at 617-349-3300. Due the fact that the Somerville Police Department is investigating this incident, all press inquiries are being handled by the Somerville Police Department.
