**Subject:** Wyman St. Curb Cut

To the Cambridge City Council:

I am a resident of Avon Hill St, and I am opposed to the Wyman St. curb cut for the detrimental effect it will have on the property of residents of Wyman St. and upper Avon Hill St. and their use and enjoyment thereof. However I favor the exploration of a compromise acceptable to both Mr. and Mrs. Griffith and the Wyman St. and Avon Hill St. neighbors. Therefore I respectfully request that action not be taken to approve the curb cut until sufficient time has elapsed for the careful investigation of the feasibility of such a compromise.

Sincerely yours,

John Cobb
