- 1 The minimum level of Digital TV service you may purchase is BASIC SERVICE. You must purchase BASIC SERVICE to subscribe to any other video service offered by Comcast. Franchise Related Costs are applicable with the purchase of Basic Service. Service, programming and equipment are subject to availability. All pricing programming and channel locations are subject to change. Prices do not include state or local taxes, franchise fees or FCC fees. Please call 1-800-XFINITY for further information. The purchase of premium channels, packages and digital services (including IN DEMAND, Pay-Per-View and On Demand) requires the appropriate equipment. ©2010 Comcast. All Rights Reserved.
- 2 Expanded Basic Service is only available as a component of Digital Starter.
- 3 A set-top box may not be necessary to view Basic Service. Please visit www.xfinity.com or call 1-800-XFINITY for further information.
- 4 Digital Economy includes Basic Service, Digital Economy video content and a digital set-top box and remote control, or a CableCARD on the primary outlet. A Digital Additional Outlet Service Charge may be applicable for additional outlets. If you wish to upgrade to High-Definition, the HD Technology Fee is applicable.
- 5 Digital Starter includes Basic Service, Expanded Basic Service, Digital Starter content, Interactive Program Guide, Music Choice[®], limited On Demand content, a digital set-top box and remote control or a CableCARD on the primary outlet and two Digital Transport Adapters for additional outlets. A Digital Additional Outlet Service Charge may be applicable for additional outlets. If you wish to upgrade to High-Definition, the HD Technology Fee is applicable.
- 6 Franchise Related Costs are costs associated with providing public, educational and/or government access facilities and equipment and/or other related costs in your community.
- 7 Digital capable equipment is required to view these services. Prices do not include a digital set-top box and remote control. Certain restrictions apply. Service subject to availability. High-Definition capable equipment and a subscription to the corresponding package are required to receive high-definition channels. If you wish to upgrade to High-Definition, the HD Technology Fee is applicable.
- 8 A minimum level of Digital Starter is required to receive these channels.
- 9 Family Tier is available to customers who subscribe to Basic Service only. Family Tier requires a digital set-top box and remote control, or CableCARD, billed in addition to the Family Tier price. Music Choice[®] and On Demand are not available with this service. Family Tier cannot be combined with any other XFINITY TV package. Premium channels are available at an additional cost. A Digital Additional Outlet Service charge is applicable for additional outlets.
- 10 Digital capable equipment, or high-definition capable equipment for high-definition channels, is required to view these services.
- 11 Access to On Demand General Entertainment Programming is based upon Digital Package subscription level. Call 1-800-XFINITY for further information.

-
- 12 Discount of 10% off of Basic Service, Expanded Basic Service and FRC available to qualified seniors age 65+ who are head of household, and qualify for Medicaid, SSI, or MA Fuel Assistance. Restrictions apply.
 - 13 Set-Top Box with Digital Video Recorder capabilities is required. DVR recording times are limited. On Demand programs can not be recorded with DVR service. Prior to obtaining a DVR from Comcast, additional documentation or a credit verification may be necessary. TiVo service is not available in all areas and requires a Motorola High-Definition Digital Set-Top Box with Digital Video Recorder service.
 - 14 Applicable with a subscription to any level of digital service. Price includes a digital set-top box and remote.
 - 15 Price includes a Digital Transport Adapter.
 - 16 Applicable with a subscription to any level of digital service. Includes a CableCARD. An additional charge will apply for additional CableCARDS in the same device.
 - 17 Fee for providing all outlets in the home with HD technology. Applicable to the first outlet in the home with HD Equipment. Depending on service level, an additional Digital set-top box fee or Digital Additional Outlet Service Charge applies.
 - 18 Requires an HD terminal box on each additional outlet up to a maximum of three. Digital Additional Outlet Service charge is applicable for each additional outlet. Minimum of one terminal box required.
 - 19 Requires the HD Technology Fee at a separate monthly charge. A HD/3D stereoscopic TV, manufactures specified 3D glasses and HD/3D set-top box are also required to view 3D channels.

- Commercial and premium installations are not included with these fees and charges. Depending on levels of service or programming received, additional charges for equipment, time and materials may apply. Prices do not include federal, state and local taxes, FCC user and franchise fees and related costs. HDTV capable set-top box only available to customers with an HDTV capable television set (not provided by Comcast). Certain restrictions apply. HDTV signal subject to availability.
- A Convenience Fee will be charged for any payment made by phone with a Customer Care Representative.
- If you reconnect any or all of the services after a disconnection for non-payment, in addition to any other charges that you may owe, Comcast will impose either a reactivation charge if a visit to your residence is not required or a reinstallation charge if a visit to your residence is required.
- Charge related to custom work performed outside the scope of a normal installation or Trouble Call.
- Not applicable to customers who subscribe to a service package that includes equipment.
- Activation and shipping & handling charges are additional. Equipment included with Self-Installation Kit remains the property of Comcast and is subject to Comcast's regular charges.
