

CITY OF CAMBRIDGE

OFFICE OF THE MAYOR

1

David P. Maher
Mayor

December 29, 2011

Ms. Margaret Drury
City Clerk
City of Cambridge
795 Massachusetts Avenue
Cambridge, MA 02139

Dear Ms. Drury:

I am writing to advise you that I have determined that the City Council's executive session minutes concerning the Monteiro case no longer warrant continued non-disclosure pursuant to the Massachusetts Open Meeting Law. As Chair of the City Council, it is my opinion that although final judgment has yet to be entered, disclosure at this time no longer jeopardizes the City's litigating position in the case.

Pursuant to the Open Meeting Law (at G.L.c.30A, §22(g)(1)), I request that you please include this announcement in the minutes of the next regular City Council meeting. The minutes at issue should be forwarded to the Law Department for review prior to any public release for review based on the Public Records Law exemptions and the attorney-client privilege.

Very truly,

Mayor David Maher
