## **Cambridge Police Monitoring String of Housebreaks in Area 4, East Cambridge, Mid Cambridge, & Inman/Harrington Neighborhoods**

**April 4, 2011** – The March edition of CPD's monthly BridgeStat report is now available on the Cambridge Police Department website at <http://www2.cambridgema.gov/CPD/publications/BridgeStat.cfm>.

Cambridge Police encourage residents to look for this report on the first Friday of every month as it contains detailed information about crime in Cambridge including police strategies and community response recommendations for priority areas of crime and community concerns.

In this month's report, Cambridge Police are focused on monitoring a series of late night housebreaks that span the neighborhoods of East Cambridge, Area 4, Inman/Harrington and Mid-Cambridge.

**An arrest has been made in one of the breaks and this series has yet to have been designated as a pattern.** However, there are a number of matching similarities to these incidents and we are monitoring the area closely. It is entirely possible that these events are not related and are a statistical blip.

**Many of these breaks have been through unlocked doors. Please read the Housebreak Citizen Response Strategy section of the BridgeStat report for tips to keep you and your home safe and visit [http://www2.cambridgema.gov/CityOfCambridge\\_Content/documents/Flyer\\_Housebreaks\\_FINAL2.pdf](http://www2.cambridgema.gov/CityOfCambridge_Content/documents/Flyer_Housebreaks_FINAL2.pdf) for more information on how to protect yourself and your belongings.**

Please feel free to contact your Neighborhood Sergeants anytime with questions or concerns. The names and contact information for each Neighborhood Sergeant can be found on our website at <http://www2.cambridgema.gov/CPD/CommRes/NeighborhoodSergeants.cfm>.
