The Moderator

Dr. David Rosenbloom, is an Associate Professor of Public Health at the Boston University School of Public Health and an Adjunct Lecturer at Brandeis University. He is now the Director of Join Together a national resource helping communities develop strategies to reduce the harm resulting from alcohol and drug abuse.

THE PANEL

The panel will address four policy related initiatives including **keg registration**, **higher education policy**, the **Massachusetts Youth Alcohol Education Bill (H.3126)**, and **Massachusetts Youth in Action** policy initiatives for 2006.

Richard V. Scali, Chairman, Cambridge License Commission

Richard will talk about the pending rule changes in keg registration requiring package store owners to phone keg sales into the police department.

Danny Trujillo, Associate Dean, Community Development and Substance Abuse Programs, Massachusetts Institute of Technology

Danny will talk about the roll of Cambridge Alcohol Advisory Board. CAAB pairs members of MIT's students, staff, and faculty, with City of Cambridge officials and members of the surrounding community. Its mission is to promote responsible behavior and reduce underage drinking on and off campus.

David DeIuliis, Communications Specialist, Mothers Against Drunk Driving Massachusetts

David will talk about the provisions of the Massachusetts Youth Alcohol Education Bill (H.3126). The proposed legislation takes on a public health approach to reducing underage drinking at the state level.

Amanda Shannon, MADD Power Summit Youth

Amanda will talk about her experience as a 2004 MADD Youth Summit delegate, a 3-day event where youth from across the state developed policy recommendations to address underage drinking. She will also discuss plans for the upcoming MADD Power Summit in June 2006.

Refreshments will be available.
