Dear Reader,

All other programs and services that are offered city-wide appear in the Resource Guide under these easy to follow categories: Early Childhood Services; Adult/Family Education and Employment; Youth Employment; Recreation; Senior Services; and Community Services. Out of School Time Services for Children & Youth

The Department of Human Service Programs offers several different types of out of school time programs for children and youth throughout the City. Through the Community School Programs, enrichment classes are offered in every elementary school for children K-8 everyday afterschool. Classes begin early in the fall. Families can register for one or more classes per day. Through the Childcare Program, licensed afterschool programs are offered in four elementary schools for children in grades K-1 and 2-5. Programs begin the first day of school. Through the Youth Programs, licensed programs for pre-teens 9-13 operate in five youth centers around the city. Evening Programs are offered for teens 14-18 at each of the youth centers.

DHSP welcomes individuals with disabilities in all Out of School Time programs, who meet the basic eligibility requirements of the programs or who with the provision of reasonable accommodations will be able to meet the basic eligibility requirements. For more information contact Nicole Horton, Inclusion Specialist at (617) 349-6071.

For more general information about the programs, see the descriptions below. In the pages that follow these general descriptions, the individual programs are listed by neighborhood to help families locate programs near or in their child's school or in their neighborhood.

Community Schools

The Division of Community Schools provides a network of neighborhood services offering educational, cultural, social and recreational opportunities for all age groups. Through 12 Community Schools located in each elementary school, Directors work with their respective Neighborhood Councils to assess community needs and to create high quality, cost effective Out of School Time programs to address them, including after school enrichment classes, two extended day programs with the School Department, full-day summer and vacation camps. All programs have been adapted to include participation of children with special needs. Registration for the fall quarter begins in September. See individual Community School Program listings for registration dates. Registration also occurs in January for the Winter Quarter and in April for the Spring Quarter.

The Community Schools provide programs that foster community, such as Summer Arts in the Park, Camp Information Night, cultural and social events for families and senior citizens, and children's performances in music, dance and theater. Participants in these programs represent the racial and ethnic diversity of Cambridge. Community Schools also collaborate with local cultural and social service organizations. Tuition assistance is provided in all aspects of programs.

Afterschool Childcare Programs

The Childcare and Family Support Division offers licensed afterschool programs for children Kindergarten through 5th grade. Parents have the option of enrolling children for two, three or five days per week. Programs

offer a multi-cultural curriculum designed to improve children's positive social development and academic achievement through project-based learning. All programs have been adapted to include children with special needs. Enrollment is ongoing. Many programs have waitlists, families are encouraged to seek enrollment well in advance of anticipated start dates. Families may be eligible for partial scholarship. To apply for assistance, complete the Tuition Assistance Request Form at the time of enrollment. Programs are offered at the Peabody, King, Fletcher Maynard and Morse Schools.

Youth Programs

The Cambridge Youth Programs offer diverse, high quality programs that promote leadership and youth development through enrichment activities, unique experiences, and opportunities to develop relationships with adults and peers. Our programs enable Cambridge youth to thrive and feel a sense of belonging, resulting in young adults who are ready for future employment, higher education, citizenship and adult life.

The Cambridge Youth Programs operate two distinct programs within each center—an after school Pre-teen Program and an evening Teen Program. Our programs are designed to be in alignment with national research, promoting youth development and leadership. We offer additional programs during the school vacation weeks and summer months.

Our five fully-equipped youth centers include classroom space, meeting rooms, gymnasiums, kitchens and easy access to parks and fields. The centers are conveniently located in five Cambridge neighborhoods.

Out of School Time Services for Children & Youth

Our after school program provides a safe, fun environment for youth ages 9-13 between the hours of 2:00 p.m. - 6:00 p.m., Monday to Friday, and is licensed through the Department of Early Education and Care. The MFNH Out of School Time Program helps children increase their academic success, explore creative new activities and build healthy relationships with peers and adults. We believe children learn and grow best in a comfortable, safe, respectful, and positive environment. Every child brings a unique perspective to our family atmosphere and we are committed to fostering his/her strengths while increasing confidence in areas of weakness. With our small staff-to-student ratio (1:7) this ideal can become a reality.

Homework help and academic enrichment are built into our daily schedule. We believe that academic success is one of the most important components in creating confident and positively-minded children. Staff is also building positive relationships with each student's classroom teacher and encourages strong communication between parents, teachers, and schools.

Our activities are designed with every student's interests in mind. Staff constantly create new activities by listening to the needs and wants of children in our program. Our broad curriculum includes arts, science literacy, writing, mathematics, physical activities, sports, games, homework help, and an array of service oriented projects. We firmly believe that each child can be a leader and encourage individual and team building activities. The MFNH program is licensed by the Massachusetts Office of Early Education and Care.

Program Hours: 2:00 p.m. - 6 p.m. and 8:00 a.m. - 6 p.m. during school vacations.

This TTY number is a dedicated phone line for people who are deaf or hard of hearing, or who have a disability that requires use of a text telephone.

People with disabilities face many obstacles in their efforts to be full and active members of society. A shortage of resources, attitudes that stigmatize, and information and activities that are not accessible are all examples of barriers that lead to isolation. For over 30 years, the Cambridge Commission for Persons with Disabilities has been working to eliminate these barriers.

On a daily basis, Commission staff answer questions, provide information, and give referrals and technical assistance to individuals and their families, City departments, public agencies, businesses and private non-profit organizations. We promote equal opportunity and work to eliminate discrimination against individuals with all types of disabilities – physical, mental and sensory. Examples of our ongoing work include:

- Organize free movie screenings through our Disability Reframed: A Community Film Series
- Advocate for improved access to housing, transportation, education, businesses, employment, and leisure time activities for people with disabilities
- Conduct site surveys for accessibility at local facilities
- Work with City departments to ensure compliance with the Americans with Disabilities Act (ADA) and other state and federal disability rights laws
- Teach disability awareness to children, adults, businesses, non-profits and City departments
- Provide free taxi discount coupons to Cambridge residents with disabilities
- Issue temporary Disability Parking Permits for use in Cambridge

Community Services - continued

The goal of our 11-member advisory board, comprised primarily of individuals with disabilities, is to promote full participation for people with disabilities in all aspects of Cambridge community life. The Commission meets at 5:30 p.m. on the second Thursday of each month. Join us; all of our meetings include an opportunity for public comment.

Our free newsletter, *AccessLetter*, is published six times a year and provides news and information on a variety of disability-related topics. *AccessLetter* also includes a calendar listing various events of interest to the disability community. Cambridge Kids' Council

The Coordinating Council for Children, Youth and Families (Cambridge Kids' Council), established in 1991 by ordinance, is a City board charged to develop a comprehensive local response to the needs of children and their families and other caregivers through promoting policies and programs. The Council brings together parents, youths, community organizations, top City officials, and representatives of philanthropy, business, and universities to advocate for the well being of Cambridge children.

To achieve its mission for collective and coordinated action on behalf of our city's children and youth, the Kids' Council established five citywide goals in April 2009 as the Cambridge Vision for Lifelong Success of Children, Youth and Families. Implementation of a strategic plan to realize the goals will begin in fall 2009. The plan includes setting measures and publishing a biennial report on the progress of these goals. The five goals are:

1. Children are ready for school;
2. Children and youth are healthy and live in safe communities;
3. Children and youth succeed in school and are prepared for work;
4. Children and youth are engaged in enriching activities and civic life;
5. Children and youth live in stable, self-sufficient, supportive families.

Other initiatives of the Kids' Council to achieve its mission are:

Centers for Families

Centers for Families is an initiative to develop school-linked, neighborhood-based family support centers for all families, particularly to those with children from birth to age 5. By coordinating formal and informal resources, the centers will link families to a full range of services to support them in nurturing their young children. The initiative began with the establishment of the Center for Families of North Cambridge in 1994.

Agenda for Children

Introduced to the city in 1997, this initiative is to bring together different city departments, community-based organizations, businesses, philanthropies, and residents to ensure that our city's children are healthy and successful in school while living in strong communities. A special feature of this initiative is Community Engagement, to ensure community involvement in the planning and implementation of the initiative's two goals.

Goal #1

Children and their families will be able to read.

Goal #2

Children and youth will have equal access to safe, stimulating, nurturing and healthful out-of-school time activities.

Youth Involvement

Began in 2001, this initiative is to develop a group of young people working with adult support to increase youth participation in the civic life of Cambridge. The initiative's guiding principles are:

- To have as many youth participate in opportunities created by and for young people
- To ensure diverse representation of youth from throughout the city of Cambridge.

The goals of the initiative are to have youth develop leadership skills, voices to raise issues that are important to them, solutions to those issues, and a vehicle for youth to get engaged in the City's decision-making process. Youth ages 14 to 18 are recruited to participate in the planning and implementation of short and long term projects.

Policy Plan for Inclusion of Children & Families with Disabilities

In November 2002, the need for a citywide policy plan for inclusion of children and youth with disabilities in out-of-school time programs and activities was identified. The Kids' Council formed a subcommittee in February 2004 to develop the Cambridge Policy Plan for Inclusion of Individuals with Disabilities in Out-of-School Time Programs. In February 2005, the Cambridge City Council and School Committee unanimously adopted that Policy Plan, making it an official City policy.

Parents and interested parties are invited to attend the Kids' Council meetings and participate in the Council's working groups. Please contact us for additional information.
