We wish you Happy Holidays and a wonderful New Year!

Dear Parents, Guardians and Community Members,

The holidays are finally here and it certainly is a time for celebrating our accomplishments this year and making new resolutions for the approaching New Year. Next year we will offer many exciting new enrichment classes and a pre-session Ocean Adventure week, beginning Tuesday, January 3rd - Friday, January 6th. Regular enrichment classes will begin on Monday, January 9th.

We have a number of family activities coming up! We have rescheduled our **Family Night Teddy Bear Making Workshop** for Thursday, February 2nd, just in time for Valentine's Day!

I invite all families to join us on **Wednesday, February 15th** for our **Middle School Partnership Event** at the Cambridgeport School. This is the second in a series of three social events that are meant to allow families from the triad to get to know each other before they move to the upper campus. This will surely be a fun night!

I hope that you take a few minutes to browse our selection of activities. This brochure contains important program policies as well as class descriptions and registration information. We try to offer something for everyone, so if you have any ideas for a program or class, come by and let us know at one of our bi-monthly **Neighborhood Council meetings** or send an email to Ygoncharov@cambridgema.gov.

We welcome new members to the Fletcher Maynard Neighborhood Council, and if you are interested in joining don't hesitate to ask more about our group! The Fletcher Maynard Neighborhood Council meets bi-monthly to discuss and shape the future of the Community School program. We are eager to hear your ideas and suggestions and welcome all community members to join us for our **next meeting on Tuesday, January 24th at 6:00pm** in the **FMA first floor conference room**.

I look forward to hearing from you! Please don't hesitate to contact me with any questions or concerns directly at (617) 349-6295 or ygoncharov@cambridgema.gov.

Sincerely,

Yuliya Goncharov
