**Subject:** RE: Proposed Amendment to City Ordinance

I am writing to support the communication from Peter Wilkins proposing that non Cambridge licensed dogs be allowed the same use of the Fresh Pond park as Cambridge licensed dogs.

As a daily user of the Fresh Pond reservation, with a Cambridge licensed dog, I see no reason why we would wish to discriminate against dog owners from nearby communities, especially when they are not asking to use any parking spaces. The non Cambridge users whom I know are some of the most conscientious in picking up after other peoples' dogs and in cherishing the privilege of visiting the Park. I urge the City to adopt this amendment as consistent with the values of our community.

Sincerely,

Rosalind Gorin
