***Green Jobs Now! National Day of Action Events***  
**Saturday, September 27<sup>th</sup>, 2008**  
**Cambridge City Hall: 10:30-12noon Rally**

On September 26, we will watch the first presidential debate of this election.

The next day, the candidates will watch us.

On Saturday, September 27, we're launching a national mobilization to say, "I'm ready for the green economy." We are ready to tackle the climate crisis by building a green economy strong enough to lift people out of poverty.

***Green Jobs Now!*** is a **National Day of Action** that will empower everyday people to stage hundreds of grassroots events throughout the country. We will have a special focus on low-income communities, communities of color and indigenous people. **This will send a message to our leaders that, when it comes to creating green jobs for a more sustainable economy, PEOPLE ARE READY!**

~ Van Jones and the *Green Jobs Now* Team

**Massachusetts Green Jobs Coalition (MAGJC), in partnership with the *Green Jobs Now!* initiative, ([www.greenjobsnow.com](http://www.greenjobsnow.com)) invites you to join us for a National Day of Action on Saturday, September 27, 2008. [A Full Agenda for All Activities is posted below.](#)**

Festivities will begin on the steps of Cambridge City Hall at 10:30 am- noon, and on the Boston Common, they will begin at 3-5 pm, followed by a Celebration until 7pm.

At both locations there will be an array of dynamic elected officials, community leaders, guest speakers, fun local music, **BioTour's Vegetable Oil Powered Bus**, and other entertainment.

**In Cambridge**, MAGJC has partnered with the Sustainable Business Network and Cambridge Local First for a ***Green Jobs Now!*** event on the Cambridge City Hall steps, with Mayor Denise Simmons.

**In Boston**, MAGJC has partnered with Service Nation ([www.servicenation.org](http://www.servicenation.org)), a coalition of 110 organizations including NAACP, AmeriCorps, City Year and YouthBuild USA, to name just a few.

**Service Nation** has generously invited us to share their venue at the Parkman Bandstand. Together, we will be hosting National Day of Action Events at the Boston Common, with the ***Green Jobs Now!*** portion of the program beginning at 3:00pm.

A local filmmaker will document these events for the National Website. *Don't miss this opportunity to be part of this Historic Event!*

**MAGJC** is a state-wide alliance committed to creating a just and inclusive green economy and has taken leadership in building this exciting and important new green jobs movement. This past July, with the active support of MAGJC, Massachusetts passed "the First in the Nation" Green Jobs legislation with emphasis placed on "Pathways out of Poverty Job Training Programs".

To celebrate Massachusetts' pioneering leadership, and to thank elected officials who made this achievement possible, **MAGJC's Day of Action event will be spotlighted with national media attention.**

**Supporting Organizations:** Cambridge Local First, Sustainable Business Network of Greater Boston, Clean Water Action, Youth Build USA, Union of Minority Neighborhoods, Boston Workers Alliance, ACE, BCAN, CLU, MCAN, and many others.

The *Green Jobs Now!* Day of Action is a non-profit, non-partisan initiative of [Green For All](#), [1Sky](#), [the We Campaign](#) and [our many important partners](#), including **MAGJC!**

**We have an entire Green Day planned! The agenda is as follows:**

**12noon:** We will depart from Cambridge City Hall on an **educational excursion for urban youth via" BioTour's Vegetable Oil Powered Bus** ([www.biotour.org](http://www.biotour.org)), which will take us to the Boston Common. Along the route we will be stopping to view a multitude of green sites in the Cambridge and Boston areas, including the Boston Green Fest. This will be filmed for the Green Jobs Now! website.

**3-5pm:** MAGJC will join Service Nation at 3PM for a **Green Jobs Now! Rally**, with a Celebration to follow. Elected Officials and an array of dynamic community leaders and guest speakers will join with local musicians and entertainment to create an exciting event that you won't want to miss. There will also be a Solutions Fair and a voter registration drive. Local Organizations are welcome to have a table and present information.

**5-7pm: Time to Celebrate!** You have all worked hard for a Just Green Economy; now Join us for Music, Dancing and Friends!

**Mural and Documentary:** A local film-maker will be documenting the festivities which will include many participants producing a large mural, illustrating that we are all a part of the solution to creating a just green economy for all.

This film will be presented to the presidential candidates and will also be posted on the National Green Jobs Now! website.
