City Hall, 2<sup>nd</sup> Floor 795  
Massachusetts Avenue  
Cambridge, MA 02139

January 22, 2012

I am writing today to address the proposed curb cut at 9 Wyman St. Simply put, I see no reason why the curb cut should be denied or held up.

I understand the owners who are pursuing it have made (and continue to make) every effort to reach out to their neighbors to be transparent, respectful of their concerns, and generally be good neighbors. Unfortunately, I believe that much of this has not been reciprocated by some of their neighbors. Moreover, I understand that some have tried to make this issue into a political one, which is absolutely ridiculous. Therefore, I am writing you to let you know there are plenty of us in the community/neighborhood that believe the curb cut is a completely reasonable request and have no problem with it.

I hope the council will delay the decision no further, and grant this completely appropriate and reasonable request.

Sincerely,

John Bright
