

Join the Statewide Creative Community to Launch MASSCreative

Join leaders and supporters of the Massachusetts creative community to introduce **MASSCreative** on its statewide tour of the Commonwealth this October.

Formed by leaders of the Commonwealth's creative sector, MASSCreative's mission is to empower creative organizations and the public with a powerful voice to advocate for the resources and attention necessary to build vibrant, connected, and creative communities.

At a statewide kickoff event at The Hanover Theatre in Worcester on October 1, MASSCreative will introduce its mission and bold program initiatives to bring resources and attention to Massachusetts' thriving creative sector.
