Subject: SUPPORT Bishop Petition "as written"

Dear Council-members:

I am writing to urge you to support the Bishop Petition. I have lived happily in North Cambridge for 23 years, The neighborhood has changed in that time, sometimes in ways I've liked and sometimes in ways I have not. The development plan on the Cambridge Lumber site appears to be a positive change in the making. However, if the Bishop Petition fails, I gather that the developer would be free to make changes in the plan, such as building more and higher units and walling in Linear Park. Such changes would have a serious, negative impact on the quality of life in my neighborhood. I deeply hope you exercise the power you have to ensure that development in North Cambridge proceeds with sanity and reasonable restraint.

Thank you very much for your consideration.

Sincerely,

Ken Bader
