M.L King Jr. Neighborhood Council

Our goal is to provide innovative programming that responds to the needs of this community and we are always searching out new ideas. The Neighborhood Council, which is always open to all King and Amigos school parents and local residents, helps to determine our mission.

The Council meets bi-monthly and provides a forum to address program quality and content, as well as safety and neighborhood issues.

We also sponsor community events and activities, such as early release day activities for school children, community gatherings, neighborhood park improvements, winter and spring vacation programs, summer camp and summer arts in the park.

Council Meetings:

Next neighborhood council meeting will take place on Tuesday, April 24, 2012 at 6 pm.

Registration Policies

On-site registration will be on a first come first served basis on Wednesday, April 11th from 5pm to 7pm in the school cafeteria. Registration will continue until classes are filled. **Please note: There is an annual registration fee of \$20.00 for our school year program.**

Full payment is expected at registration unless a payment plan has been arranged with the program director.

Classes start on Monday, April 23 and end on Friday, June 15, 2012.

Refund and Cancellation Policy

Occasionally classes and schedules do change due to unforeseen circumstances. We also reserve the right to cancel classes that are under-enrolled. However, if a class is cancelled, we will return or credit your payment.

If you or your child should decide that a class is not the right choice after the first class but before the second, we will refund your money. Partial refund will be given if a student is no longer able to participate due to medical reasons.

Refunds will not be given if a child missed classes.

Payments

Checks or money orders should be made out to the **M.L. King Neighborhood Council**. No cash please. Please make all payments at registration or arrange a payment plan with the director.

Class Fees

We try to price classes reasonably. Although we do receive a small allocation from the city, we are primarily self-supporting. Fees pay for teachers' salaries, class materials and provide scholarships.

Financial Assistance

Partial scholarships are available for eligible families. To apply, please pick up a financial aid form from the office and provide a copy of your W2 forms or four most recent check stubs as verification of your household income.

Scholarship Donations

We welcome your contribution. If you are able to contribute towards a scholarship for a child, a specific activity or to our general scholarship funds, please earmark your check.

No Class Days

Regular classes will not run on early release days, holidays, snow days or school graduation days.

Age ranges for classes

Age ranges are suggestions. We set them sometimes based on content but often with the intent of creating a cooperative social experience for children. If it is appropriate for our teaching staff, children who are younger or older than the recommended age range for a particular class is welcome to enroll. Please talk to Catherine if you have questions.

Picking Up Your Child

- Our Staff or Program cannot be responsible for any playdate arranged by parents; we can ONLY supervise children enrolled in our program at any given time or day. Please speak with Catherine, if your child's schedule changes due to arranged playdates.
- Please help us by picking your child up at the end of his/her class or make appropriate arrangements for your child to be picked up on time.

- Once the class is dismissed, our instructors need to leave and cannot be responsible for student's supervision.
- Let us know immediately if you have made any changes in your child's schedule or if someone other than yourself will be picking up your child.
- In case of an emergency, please contact Catherine. The emergency number is (617) 230-0216
- To ensure the safety of all children, please check in with a staff person before picking up your child.

Late Fees

There is a late fee charge of \$1 per minute per child passed the regular pickup time. Late fees must be paid within 48 hours to avoid disrupting your child's program schedule.
