Councillors, Mr Healy, Ms Drury -

I had written to the councillors in the past to express concern about the proposed curb cut to allow access to the home being build at 79 Raymond Street. This would be the second cut for this property. I live on Avon Hill Street and am opposed to this additional curb cut.

I understand the neighbors most affected if this were to happen are trying to negotiate a resolution with the property owners. I ask that you postpone any vote on this matter until those negotiations have had an opportunity to find a solution.

Thank you for your attention to this.

Kind regards -
