Re: Longfellow Neighborhood Council

I am distressed that there is a possibility of disbanding the Longfellow Neighborhood Council. The Council is an invaluable asset to the community and is fulfilling its mandate "...to work with residents and local institutions to provide services and activities that enhance health, learning, creative expression and the sense of community that makes Cambridge a special place" with projects "...designed to include educational, cultural and recreational programs for residents of all ages."

The programs in music appreciation, park activities, special events, and recently the amazing book "From the Heart of Cambridge - a Neighborhood Portrait" are verification of the impact the Longfellow Council has had on the Mid Cambridge Community.

We are depending on the City Council to help our community; please support the remarkable, and very effective, Longfellow Neighborhood Council.
