Subject: Public Records Bill

To: dlopez@cambridgema.gov

Dear Ms. Lopez:

I hope you and your officials support of the Public Records bill, H.3665?

This is an important bill to improve transparency in the Commonwealth.

I hope you will communicate your support for the bill to the Massachusetts Municipal Association and to the legislators representing Cambridge.

Many thanks

„, it is ultimately the faith and determination of the American People upon which this nation relies. It is ... the selflessness of workers who would rather cut their hours than see a friend lose their job.

Barack H. Obama

The test of our progress is not whether we add more to the abundance of those who have much; it is whether we provide enough for those who have too little.

Franklin D. Roosevelt

... had begun to consider the Government of the United States as a mere appendage to their own affairs. We know now that Government by organized money is just as dangerous as Government by organized mob. Never before in all our history have these forces been so united against one candidate as they stand today. They are unanimous in their hate for me - and I welcome their hatred.

Franklin Roosevelt

[When will Obama quote it?]
