PROTEST AGAINST ZONING CHANGE
PURSUANT TO MASSACHUSETTS GENERAL LAWS 40A, §5

The undersigned, being owners of more than 20 % of the area of land proposed to be affected by zoning amendments proposed in a Petition filed by the City Council to rezone a small district at the corner of Walden and Sherman Streets from its current designation of Business A to a designation of Residence C (the "Petition"), which Petition is the subject of the Planning Board Hearing Notice attached hereto as Exhibit "A," hereby protest and object to such Petition and such proposed amendments, on the grounds that such amendments would represent an arbitrary and invalid exercise of the zoning power, are not based on any comprehensive land use studies or plans, and would be substantially adverse and detrimental to our property and business interests.
