

To the Honorable, the City Council:

The undersigned hereby petition the City Council of the City of Cambridge to amend the Zoning Ordinance of the City of Cambridge by adding specific language specified below to ensure that the "Table of Use Regulations" always controls the uses for the Zoning Districts specifically referenced in that table.

The affected area is the entire City of Cambridge.

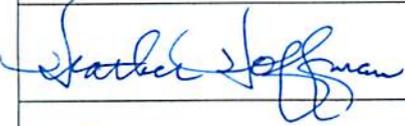

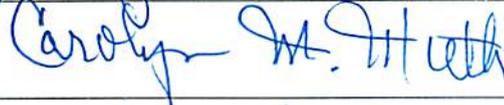

City policy has repeatedly reviewed and revised this table at least as recently as February 12, 2001 as a result of nearly a year long public process. The present proposal would further the implementation of those changes in city policy.

Amend the Zoning Ordinance of the City of Cambridge by doing the following:

Add after the title of section 5.28 the sentence: "No use shall be permitted by any provision of this Section 5.28 except as set forth in Section 4.30 Table of Use Regulations or the sections that define districts not included in Section 4.30."
