I understand that City Councilor Dennis Carlone is sponsoring a policy order denouncing the attack made on Councilor Nadeem Mazen by a highly dubious online publication Breitbart.com, which is known for fomenting Islamophobia. I will be unable to attend the meeting to give the policy order my wholehearted endorsement, but want to go on record here with my strong support of both Councilor Carlone's resolution and Councilor Nadeem Mazen's service to the City of Cambridge.
