The Honorable David P. Maher  
Mayor  
City Hall  
Cambridge, MA 02139

Dear Mayor Maher:

Thank you for the committee assignments. I look forward to working with you and my colleagues over the next year to improve the health and well being of our community.

At this time, I am formally requesting to be removed from the Neighborhood and Long Term Planning Committee. I do not want to be remiss in my duties to the Neighborhood and Long Term Planning Committee given the breadth of work I expect to be engaged in as Chair of the Housing, Health and Finance Committee.

I appreciate your attention in this matter.

Sincerely,

A handwritten signature in black ink, appearing to read "Marjorie C. Decker", written over a large, faint circular stamp or watermark.
