Dear Commissioner Lambert,

As follow-up to Cambridge City Council Policy Order #13 dated July 30, 2012 (see attached), I am writing to request that DCR staff work with City of Cambridge staff to install appropriate signage at the North Bank Pedestrian Bridge to demarcate the entry into Cambridge.

Linking Boston and Cambridge at a once-inaccessible location, the new bridge is a striking amenity within the new North Point Park and we are eager to celebrate this new gateway with a sign that visually complements the setting. Please have the appropriate person on your staff contact Roger Boothe, Director of Urban Design ([rboothe@cambridgema.gov](mailto:rboothe@cambridgema.gov) or 617/349-4646.)

Sincerely,

A handwritten signature in black ink, appearing to read "Brian P. Murphy".
