Dear Mayor Maher,

I am writing to inform you that I would like to withdraw my participation from the following committees of the City Council: Transportation, Traffic and Parking; Neighborhood and Long Term Planning; Human Services; Public Facilities, Arts and Celebrations and the Committee on University Relations. A strong commitment to public service is the foundation of my political career, but while I strongly believe in public service, I have come to realize that the number of committees that I sit on has become an impediment to my effectiveness as a City Councillor. And so with much sadness, I kindly request that I be withdrawn from the committees listed above.

Sincerely,

Councillor E. Denise Simmons
