Cc: Drury, Margaret
Subject: Bishop Petition

Congratulations to Mayor Davis and Vice Mayor E. Denise Simmons on their recent election.

We appreciate all the time and energy that the Council has devoted to the Bishop Petition. When it is addressed this evening, we hope the Council will weigh in all that has occurred as of late and continue to carry out a systematic approach, as it has during this entire process, and delay the actual voting on this very important project slated for the North Cambridge area.

On the heels of the model that was displayed to the Councilors at a prior meeting February 8th, all could visualize the drastic impact to the neighborhood. We rely on your experience and wisdom to make the decisions that will help us all to bring about a proposal as compliant as possible with the existing Res. B neighborhood including all implications and impact on Linear Park.

Last but not least, we wish D. Margaret Drury the best in her retirement and gratitude for her for service.

Thank you,

Judith and Paul Robertson
