**Subject:** Comprehensive Housing Plan

Gentleman:

I live at 79 Upland Rd. Cambridge. My business is JJ Sullivan Plumbing and Heating Contractors located in Somerville, MA. We have been at our current location for 63 years.

We "love " construction as it employs our crews on a annual basis whether it be a new building or renovation of an existing structure.

However, I do believe there should be a plan for housing and development in Cambridge. We should be examing the impact of new buildings to a specific area as well as considering the "affordable " aspect of new development.

Traffic is an issue which cannot be overlooked; ie, how many additional vehicles will be added to our roads.

In closing, I strongly urge the Council to adopt a housing plan for the City of Cambridge.

Thank You
