

Dear Councillor Toomey:

On behalf of my family I would like to thank you, and the entire city council for the sympathy extended to us, it is greatly appreciated. My mother loved East Cambridge; it was her home and her extended family. Thanks very much for thinking of her in this resolution, with all the important issues you are faced with it was nice of you to take time to remember our mom, she would have been so honored. Thank You again.

Respectfully,

Robert A. Walsh & Family
