

Water Week Celebration 2007

The Cambridge Water Department is once again celebrating the “Wonder of Water” during Water Week May 6-12. Activities for the week are as follows:

Monday May 7th

An Open House with informational displays will be open to the public in the Lobby of the Walter J. Sullivan Water Purification Facility beginning Monday May 7th. Open House activities will be highlighted by a choice of three events: an Evening tour of the Water Purification Plant or an Interactive tour of the Plant’s Laboratory or a “Walkabout” of the two restoration projects underway in the Northeast Sector and the Little Fresh Pond, beginning at 6pm Monday May 7th.

Tuesday May 8th Open House: Lobby displays 8:30am-5pm

Wednesday May 9th Cambridge Schools

The Water Department will also be offering a series of activity modules for schoolchildren on Wednesday May 9th which include: Hay rides thru the reservation, a Scavenger Hunt of Fresh Pond, tours of the Purification Plant, a run thru an Obstacle course thru tools and equipment that maintain our water distribution system, demonstrations and participation in how to fix a water leak. Hot dogs, and refreshments will be available.

Thursday May 10th Open House: Lobby displays 8:30am-5pm
