Subject: vote no on Forest City up zoning

I urge you to vote no on the Forest City up zoning. I live very close to 300 Mass Ave. Their new proposal is no better than their last. If they want to build a lab, let them build within the existing zoning.

Cambridge is unrecognizable from the city it used to be. It is quickly losing everything that made it special. Stop the noisy labs, traffic, and inevitable higher rents. Stop the pollution of our air with unknown chemicals. It feels as if many on the city council are answerable to developers' empty promises and not the residents who vote for you.

Sincerely,

Kathy Watkins
