Subject: Please Vote Bishop Petition Now

Hi,

My name is Amelia Westmark and I am a homeowner and resident of 115 Harvey Street, 02140. I have been living and voting in Cambridge for 4 years. I believe there is already too much development being proposed in my neighborhood, and believe that smaller projects would be safer, would match better with our single and two-family properties, and would be more characteristic of our historic and charming neighborhoods.

I am currently 27 years old, and I plan on staying in Cambridge and eventually raising children here. This is my neighborhood and my community- not just a place I sleep at night. I ask that you keep this a neighborhood where I will want to remain and eventually start a family. Please vote for the Bishop Petition now to protect my home, my future, and our wonderful neighborhoods and communities.

Thank you for your time.
