Executive Assistant
Office of the City Council

Dear Ms. Albano:

Please convey my thanks and gratitude to Councillor Denise Simmons and the City Council for your congratulations on my recent affiliation with the American Red Cross. I am pleased to work with this organization.

Your recognition to me for this affiliation is in keeping with the overall welcoming environment here in the City of Cambridge. I have interacted with a few city departments already and all officials have been so helpful. Cambridge has been a welcoming place for not only our operations on Main St. but also for me personally.

Thank you again.

Sincerely,
