
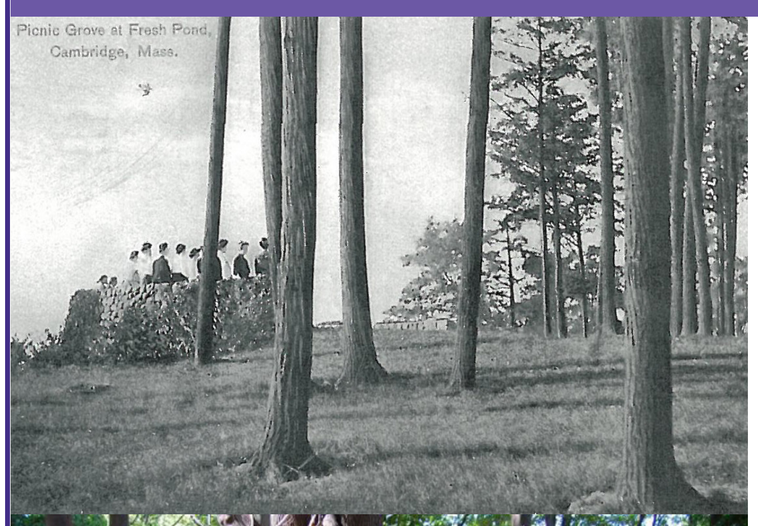
Kingsley Park
Site Improvements

Public Meeting I
Inventory & Analysis



The goals of the upcoming Kingsley Park Site Improvements Project are to improve drainage, stabilize eroding slopes, restore the landscape, and improve areas for active and passive use.

This will be the first in a series of public forums to solicit input from site users throughout the design process.

Meeting Agenda

1. Presentation of Site Inventory & Analysis
2. Comments, Discussion & Questions
3. Next Steps

Fresh Pond Reservation
Protecting the Cambridge Water Supply Since 1889
