The following question was submitted on July 26 and inadvertently missed.

Question

On Drawing C-2, note #2 refer to replacing Pile Cap and Grade Beam, if required. If this work is required, under which item will the work be paid?

Answer

This would be paid for under Item 2615.2 – Pipe DIP (Gravity) 18-Inch Diameter. Contractor to refer to Spec Section 02615, page 11-12.

All other details remain the same.
