

Let's Talk about
**HEALTHY PARKS &
PLAYGROUNDS**

Fall 2010

We're hosting a series of outreach meetings across the city to continue our conversations about the benefits of outdoor play, the goals of Cambridge's Healthy Parks and Playgrounds Task Force, and how these goals might shape Cambridge's park system over time.

We'll also be talking about the formation of a new Healthy Parks and Playgrounds Advisory Committee, for which the City will be seeking interest from members of the community.

Each meeting will be at 7:00-8:30 pm. The content and format will be the same, so you can join us at the time and location most convenient to you.
