WINTER 2012

PLEASE READ

WELCOME TO ONLINE REGISTRATION AND WEB TRAC

As the headline says you are now able to register online. In order to do this you need to go to www.cambridgema.gov/dhsp2. There will be a link to online registration, click and you are there. It is extremely important that you fill out the forms completely and use the class codes and include date, time, and name of activity. It is extremely important that you provide your email address as it is the only way to receive emails notifying you when new brochures are available. MasterCard and Visa are the only credit cards we accept. Online registration for classes will begin for Cambridge residents on November 28 and December 5 for non residents. Mail and Walk-in registration will continue to be offered. Instructions for both are in the back of the brochure with the registration forms. If you have problems with online registration please call 617 349-6279 during the following hours 5:15pm-8:45pm M-F, 8:30am-4:30pm Saturday, and 12-4:30 on Sunday. Please remember all classes have limits. If you are requesting a scholarship you must still send your request through the mail. Birthday parties are now registered for online. This is for residents only.

Inclement Weather Policy

If Cambridge Public Schools are closed Recreation Programs are automatically closed.

If a storm begins after school has opened a decision about evening programs will be made by 4:00 p.m. If classes are cancelled they will be made up. If a storm affects Saturday classes and programs a decision is made by 7:00am. Saturday classes will be extended one week. You will not be called so it is important to pay attention to this material. If a storm affects Sunday programming a decision will be made by 9:00am. Information about closures due to weather will be on Storm Force on Channel Seven's website at www.whdh.com, or voice mail at 617 349-6279 or 617 349-6237. You can also register online to receive text messages about cancellations with Channel 7.

Refund Policy

A full refund will be given under the following circumstances: class is cancelled due to low enrollment, a medical problem arises and a physician's letter accompanies the request, or a class is fully enrolled and there is no space for you. All other requests will result in a credit to your household. Only two household credits will be allowed in a calendar year, (January 1 - December 31).

Information Page

Welcome to the Cambridge War Memorial Recreation Center and Frisoli Field House. We hope you will enjoy this fantastic facility. There is general information you need to know that will make your use of the facility easy and pleasant. The recreation program now has its own entrance, so please use it when you come to the facility. Please read the rules so you will be aware of your responsibilities while using the War Memorial. The address is 1640 Cambridge Street.

Bring a lock for your locker with a thin stem.

Inside this facility you will find three pools, a gym, basketball, volleyball and tennis courts. Also, new locker rooms, family/handicapped changing space, a state of the art weight room, classrooms and a facility that is fully accessible ♿. The facility is air conditioned and climate controlled.

Refund Policy

A full refund will be given under the following circumstances: class is cancelled due to low enrollment, a medical problem arises and a physician's letter accompanies the request. You will be given a credit for other circumstances. Only two household credits will be allowed in a calendar year, (January 1 - December 31).

Food & Drink Policy

This is a brand new facility and there is no food to be brought in by the public or students. We are rid of bugs and rodents and wish to keep it this way. Water is all that is allowed to be brought in. There is to be no coffee, juice, tea, soda or food of any kind. It will be greatly appreciated by the Recreation Department and School Department if everyone will cooperate in keeping the center clean and beautiful. There are minimal events that are sponsored by both departments that are exceptions and they are planned for and contained in specific areas. Thank you again for your cooperation.

Dear Parent,

I am pleased to welcome your child into the program. In order that the programs operate smoothly and all the children have a good and safe experience, there are rules in place to guide behavior. Your cooperation will be both expected and appreciated. The War Memorial is a very large building located on a very busy street, therefore children under the age of ten need to be accompanied by an adult. All class participants are required to check in at the front desk and check in at the pool and gym (parents of young children may do the checking in and siblings can come, but are not allowed to participate). Non-registered children and parents are not allowed access to these facilities. Please do not ask to speak to instructors, as they are not authorized to allow your child into a class after registration is complete. You will be referred to me for entry after class registration is closed.

Swim Rules

Parents are required to be in the pool during toddler/pre-school instruction. There must be one adult per child in this class. Parents of children in pre-school referral through level six must sit in the balcony not on the deck. Please prepare your child in advance for this so your child has realistic expectations. Children who are not toilet trained must wear a swim diaper in order to prevent pool contamination. If contamination happens the pool has to be closed briefly. Please change your child in the locker room and not on the pool deck. Only participants are allowed in the pool during lessons. When a student's lesson is over, they need to leave the water. Please do not interrupt instructors while they are teaching. If you have comments or concerns about instruction or need information from the teacher please address your questions to the swim school manager. All children will be screened for placement at their first class. The swim school manager and the staff assigned will make the determination as to appropriate level and group. If you can not place your child in the correct level due to scheduling conflicts, it would make sense not to register them and wait for a more appropriate time.

Gym Rules

Parents not required to participate in class need to sit in the balcony along with siblings. No children or parents not participating are to be on the gym floor as this causes a distraction as well as safety hazard. No one, including class participants, is to use any gymnastics equipment without the permission of the instructors. Please take into account the significant risk involved when you do not cooperate. Please do not ask instructors to allow non-registered siblings into classes. Please respect all the children's and teachers right to undisturbed instruction. No student is to remain for more classes than they have registered for. If you have questions please speak to the gym manager.

If you have questions or concern please call me, I will be happy to speak to you.

I can be reached at 617 349-6237.

Sincerely,

Donna M. Cameron, Recreation Activities Manager

CHILDREN'S SWIMMING

At the War Memorial

The American Red Cross' swim program is being used by the Recreation Department. The skills listed for each level are directly from Red Cross materials. Level III and IV have become more demanding. Please do not expect your child to move to the next level in one session. This is highly unlikely. Final decisions concerning student placement are made by the manager. Please refer all your questions concerning group and level placement to this staff member. Instructors are not part of this process, so please raise only progress concerns with them and not placement concerns. Thank you for your cooperation in this matter.

Parents are required to sit in the balcony during lessons.

Synchronized Swimming

Imagine... a gymnast performing underwater- A 400 meter runner, running without breathing- An ice skater perfecting figure movements in an unstable medium- A dancer's artistic flair, in choreographing routines- A water polo player's power and strength needed to extend out of the water- A long distance swimmer's lung capacity developed for endurance- Add to that the combination of grace, fluidity and synchronization of an entire team and you have just imagined....**SYNCHRONIZED SWIMMING!**

If you love to swim, be creative, dance, and love music, then consider trying synchronized swimming! Cambridge Synchro has been in existence for over twenty years, and every year we have grown in size and become more competitive. Over the past four years we have traveled to competitions around Massachusetts and New Hampshire, to New York and Connecticut, and even Indiana and Florida. In order to continue our upward trend however, we need more swimmers! If you are comfortable in deep water and interested in trying something new, consider trying our team! First year swimmers practice once a week for an hour, full-fledged team members practice three days a week for a total of six hours. We compete in the local area a few times a year, and have our annual show.

Recognized as one of the top martial arts programs in the country, four-time world champion Steve Nugent brings his teachings and philosophy to Cambridge Recreation. The program focuses on respect, discipline, and integrity. Students are taught traditional stances, blocks, kicks, and strikes. In addition, emphasis is placed on proper breathing, health and nutrition, stretching, exercise, and proper conduct. Also, the classes cover stranger awareness, fire safety and the importance of academic achievement. All uniforms, belts, and patches included in the fee.

Come and take class with our great teachers. Angelique Smith and Marco Bonilla have been teaching for Cambridge Recreation for many years and are both certified instructors in gymnastics.

Class I

Are you afraid of the water? Did you not have the opportunity to learn how to swim? Then this class is for you. Lessons will take place in our small round three and a half foot deep pool. In the security of this pool you will learn to feel comfortable in the water, float on your back and front, put your face in the water, and begin to learn the front and back crawl, and many other skills.

Class II

This class is for you if you can swim 25 yards, are comfortable over your head, and need to work on your skills. If you would like to swim for exercise but tire after a couple of laps this class will help you become more effective with stroke improvement. The better your strokes the less energy you will expend. Come take this class and learn to enjoy the time you spend swimming.

Aqua Aerobics

- Whether you are new to exercise, or maximally fit, aquatic exercise is an excellent and diverse form of fitness training. This exercise form utilizes the resistant property of water to yield a challenging workout, with minimal impact on the joints.
- Classes are geared toward a range of ages and conditioning levels, in order to address individual fitness goals. Aquatic exercise is safe, fun, and effective! Use of buoyant equipment increases cardio-respiratory fitness, as well as muscular strength, toning, and flexibility.
- Classes are conducted in the diving pool, using flotation belts. Resistance bells and flotation belts are provided. If you have not considered aqua aerobics please give us a try.
- Lifeguards are present during the class. Our Instructor is Pam Foggo.

Senior Adult Program

These classes are available to students ages 55 and over.

\$45 once a week

\$65 twice a week

Senior Aqua (shallow)

This class is primarily a cardiovascular workout incorporating a randomly organized low, medium, high intensity circuit training formula. The individual circuits include: muscle strength and endurance; joint integrity (hip, knee and shoulder focus); neuromuscular re-patterning and proprioception enhancement. Also included is postural restoration and locomotion skills through cross body movement drills. Throughout the circuit, balance is integrated with stability and mobility foundation exercises. If you are serious and committed to working hard, getting results and feeling better, the Senior Aqua Shallow class is for you!
Instructor: Steven Adcock

IAIDO

Monday and Thursday
7:15-9:15pm
Ages 18 and over

Iaido, the way of the sword, is the art of drawing and using the traditional Japanese sword. Our group practices Muso Jikiden Eishin-Ryu Iaido, the most widely practiced style of Iaido and the second oldest martial art form in Japan.

Today, Iaido is practiced to develop mental discipline, awareness, and physical harmony. This is achieved through diligent practice and control of body and sword movements. Classes focus on correct breathing and posture, stretching and exercise, proper mental attitude, and mutual respect. This is emphasized by fostering a sense of camaraderie in a collegial and friendly atmosphere.

For detailed information please visit our school website at bostoniaido.com; or, by email at bostoniaido@yahoo.com.

AQUA ZUMBA® Adult Class

220801-01

Wednesdays 5:30-6:15pm

\$90 Resident / \$100 Non-Resident

Start date January 4 - March 7

(10 weeks) Aqua Zumba is the "pool party" workout for all ages. It is a class that integrates a fun, challenging and effective water-based workout converting the Zumba land-based exercise system into traditional aqua-based conditioning program. Due to the resistance and buoyancy of the water, the dance-based movements are executed in a slow than normal tempo. Still, the exercises are intense yet safe. A 45-60 minutes class is thoroughly exhausting and exhilarating. You will kick, tap, shuffle and shimmy to Latin and world dance rhythms. When you take an Aqua Zumba® class, you will need a bathing suit, towel and aqua or exercise type shoes.
Instructor: Steven Adcock

ZUMBA

Zumba is an exhilarating class that combines dance, Latin music and aerobics. You'll burn 400-700 calories in one hour of fun. The class feels more like a party than a gym workout. When you leave you will feel happy and energized. Beginners' and all age adults, shapes and sizes are welcome. All you need is a fun loving attitude and a desire to move.

Intro to KETTLEBELLS (adults only)

Kettlebell training is the ultimate core workout, while developing your cardiovascular conditioning, power, stability, flexibility, balance and agility. In kettlebell training you target every aspect of fitness using functional movement. You will gain tighter legs, glutes, back, arms and abdominals. We will use traditional cast iron kettlebells ranging in weight from 10lbs to 25lbs. The class will focus on the basics of the One and Two Hand Swing, the Turkish Get Up, Windmill and numerous variations. Emphasis will be placed on technique and safety. All participants should have a basic fitness level and will be required to sign an

ZUMBA TONING

(adults only)

Takes the original Zumba dance-fitness class to the next level utilizing an innovative muscle training protocol and the addition of light weight toning sticks or dumbbells. Created to emphasize muscle work along with rhythms, this combination of cardio and dynamic resistive exercises is an effective use of progressive light weight training to improve overall performance. Zumba Toning creates the same party atmosphere as every other Zumba program because the rhythm of the dance is the passion and foundation which keeps the participant engaged and coming back. Zumba Toning is fun, different, challenging and effective and provides for the participant a new avenue to weighted activity.

Bring water for hydration and a towel. Dress as you would for a regular Zumba class. Class participants should bring two 1 to 3 lbs hand-held weights (dumbbells). Alternatively, Zumba toning sticks can be purchased from the instructor for \$20.
