The following questions were submitted and answered.

Question's

The title of the Program is "Groceries for Pickup" however, on Page two of the General Terms and Conditions under "Delivery and Packaging"-it states Deliveries must be made in such quantities as called for in the Purchase order, etc, etc, etc.

If we are to deliver goods, is there a minimum spend per delivery?

If we are to deliver goods, basically there is no charge to the City correct?

Answer

Please strike the Delivery and Packaging clause referenced in the General Terms and Conditions.

Delivery is not required for contracts awarded as a result of this Invitation for Bid.

All other details remain the same.
