RE: File No. 6313 – RFP to Provide Landscape Golf Course Design - Addendum No. 2

The following questions were submitted and answered:

Q: Is Irrigation design to be included?

A: Yes, will be additions/upgrades to existing irrigation system.

Q: What are the City's top priorities?

A: This is stated in the scope – bunker renovation, irrigation improvements, cart path repairs and new exterior fence.

Q: Can Selection committee members be asked questions directly by proposal teams re: their thoughts on the vision for the future of the course?

A: No

Q: Is the City actively involved with the First Tee Program?

A: No

Q: Does the course have an accurate "As-Built" of everything above and underground?

A: Yes

Q: How many rounds does the course get?

A: 40,000 plus

Q: Who frequents the course most? Seniors, Juniors, leagues, core golfers? Etc.

A: Seniors and core golfers, also league about even, juniors less so.

Q: The proposal requests financial information and says that financial stability will be part of the selection criteria. What information should be presented? How should this information be presented?

A: Not required at this point in the process.

Q: The designer application form says we can submit 3 double-sided pages of additional information to support the qualifications of the proposal design team. Can additional qualifications material be provided on top of this?

A: No restrictions

Q: The designer application includes a section for resumes of key individuals (section 7). The proposal also requests resumes. Can the proposer submit both the designer application and long-form resumes?

A: No restrictions

Q: Will designer be responsible for appropriate permitting for future construction activities?

A: No

Q: What is City's vision for course and its future within the community?

A: Not applicable – very simple golf course repairs/renovations.

All other details remain the same.
