Re: File No. 6697 – 2015 Ford Police Interceptor

The following exception was submitted for clarification. UA is no longer available as a standard color from the factory on the 2015 Interceptor Utility. The factory black that is now available is GI Shadow Black. The City will accept the factory G1, shadow black. Please change section 11:00 Exterior Body 11:01 UA No metallic black clear coat body to GI, shadow Black.

All other particulars remain the same.
