Re: File No 6782- Request for Qualifications Landscape and Environmental Restoration Design Services for the Cambridge Watershed and Fresh Pond Reservation -Addendum No.1

The following question was submitted and answered.

Question

Under Section 1- Scope of Services, Paragraph two mentions the communities where work might be done and says "map enclosed". I could not find the map showing the scope of services. Is it possible to get a map showing the area included in the Scope of Services?

Answer

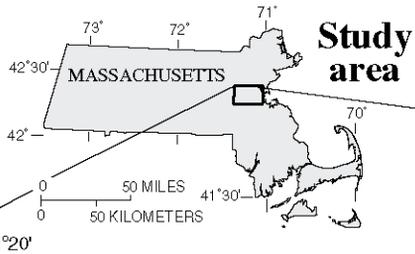

Please see attached graphic developed by USGS for a report published in 2001.

All other details remain the same.
