Re: File No 6901, Request for Qualifications- Energy Broker Services for Municipal Electricity Supply and Community Aggregation with Renewable Energy, Addendum No.1

The following question was submitted and answered.

Question

Just a clarification from Page 5, Section II, Subsection A. Are the three personal references required for **each** person submitting their resume under #1 or three total?

1. Résumés of all persons participating in the RFQ, including, but not limited to, the principals and consultants with a brief description of their respective responsibility(ies) on this Project.
2. Current copies of all licenses or certifications that are necessary to perform the services you are proposing.
3. A list of at least three (3) entities for which you have conducted similar services. Please include the name and telephone number of the contact person at each, the year of the contract, and the nature of the project. These contacts shall serve as references. Also, include no less than three personal references of the key members assigned to the project, also from former clients. Such references will be used to determine an offeror's responsibility. The City reserves the right to use itself as a reference.
4. a completed CORI form and;
5. a signed Anti Collusion/Tax Compliance Form.

Answer

Three total personal references for the whole team would be fine.

All other details remain the same.
