ADDENDUM NO. 1

**REVISED - ADDENDUM NO. 1 File No. 7047 - Homeless Student Transportation Services Bid Pricing Sheet
Cambridge Public Schools**

One contract will be awarded to the responsive and responsible bidder offering the lowest grand total bid for the contract period. Bidders must enter a rate and calculate cost in all boxes below for each year of the contract and grand total or the bid will be rejected as nonresponsive. Rates should reflect the full cost of transportation per student, with the understanding that half shall be billed to CPS and half to the other district in cases where the cost of transporting a student is shared.

Estimated needs reflected below are ESTIMATES ONLY and apply to all years for the purposes of bidding. In any given year during the contract term, CPS may need to increase or decrease any of the estimated needs stated below. Any increase/decrease will be at the unit prices specified on this bid form.
