Re: File No. 7311A- Fabrication & Installation of Truck Guards  
**Addendum No. 1**

---

**The following question was submitted and answered.**

Question:

1. Will the City bring their trucks to our facility or will they provide a garage space for our personnel to install the safe guards that has air & Electricity and a space to secure a 16' box Truck ?

Answer:

No, as stated in the Scope of Service the Contractor will pick up the heavy duty vehicle from Public Works and perform the work at the contractor's facility and deliver the heavy duty vehicle back to Public Works after installation of guards.

All other details remain the same.

Questions are closed.
