Addendum No. 1 referenced the following question. Please see revised answer.

Question #5

Whether companies from Outside USA can apply for this (like, from India or Canada)?
Can we perform the tasks (related to RFP) outside the USA (like from India or Canada)

Answer #5

Companies from outside the USA may apply for this bid. Company must be able to provide immediate, onsite technical support if an issue arises. The City wants to be sure that a technician will be physically present by the next business day.
